DELTA REGIONAL
HEALTHCARE FOUNDATION

HOSPITAL MISSION

To provide high quality medical services to the citizens and communities in the tri-state Delta region.

Delta Health System has been serving the Delta since 1953 with the mission of providing high quality medical services to the citizens and communities in the Tri-state Delta region and to be a leader in providing needed support services to healthcare providers and patients to improve the health of the communities served.

Our priority is to consistently provide the best and safest care for our patients and to ensure a sustainable presence in our community.
